

MUST-SEE EVENTS

"My Skills Are No Bull" Bosch Power Tool Challenge

Contestants are tested on safety knowledge and tool usage that simulate tasks performed by concrete and mason contractors. [LEARN MORE](#)

Concrete Polishing Luncheon & Forum

Today's luncheon and forum will feature experts in concrete polishing discussing what contractors need to know to grow their businesses. The forum will concentrate on the important topic of concrete polishing specifications—something every concrete polishing contractor is talking about. [LEARN MORE](#)

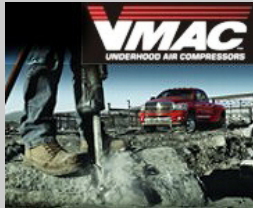

MCAA's International Masonry Skills Challenge

Watch masonry apprentices in first-, second-, and third-year skill levels compete to build projects without ever having seen the drawings. [LEARN MORE](#)

COMPACT POWER THAT REALLY DELIVERS

The compact, powerful VMAC UNDERHOOD150 air compressor system runs off your truck's engine, delivering up to 150 CFM and 175 PSI of continuous air without taking up any truck workspace. The system's controls and performance allows it to easily operate in extreme conditions, reduce operating costs and address environmental concerns.

HOT OFF THE PRESSES

Concrete Artists Show Off in Vegas

If you find you need to give your feet a rest after visiting the many booths and events at World of Concrete, you can always rest in a lounge chair. And because we're at WOC, it would have to be a concrete lounge chair at that. [LEARN MORE](#)

History in the Building

In 2005 the World of Concrete made Las Vegas its permanent home—at least for another five years—making it possible to offer an exclusive behind-the-scenes tour of the massive Hoover Dam Bypass project, which had just begun. Now, five years later, the project is nearing completion. Attendees of the annual tour no longer need to visualize what the public works landmark will look like—it looms above them as they head toward the Hoover Dam Visitor Center. [LEARN MORE](#)

MCAA Schedule & Events

Mason Contractors Association of America (MCAA) holds its annual convention concurrently with the World of Masonry, which is held each year during the World of Concrete. This event is the masonry industry's premier event. Check out all of the exciting events in the Program & Exhibits Guide, as well as the education seminars offered by MCAA in South Hall. BREAKING NEWS

Help Habitat Help Haiti

Damage from the Jan. 12, 2010 earthquake in Haiti added yet another dimension to the already crushing humanitarian crisis and poverty conditions faced by the country. Because of the great need, Habitat for Humanity is planning an aggressive response to help low-income families get into decent, secure housing as soon as possible. [CONTINUE READING](#)

H. Gordon Gates Passes Away

Gordon Gates, a member of Gates & Sons Inc., Denver, for more than 60 years, passed away Dec. 20, 2009, at the age of 86. Gates spent the early years of his career apprenticing as his father's trained vice his invention. [CONTINUE READING](#)

THE #1 REASON TO ATTEND WORLD OF CONCRETE®

Your No. 1 reason for attending WOC—to see all the newest products to keep your business running strong! World of Concrete's **New Product Showcase** brings an exciting array of this year's newest products together in one area for a quick look at what's new for construction and masonry professionals.

Xypex

Kryton

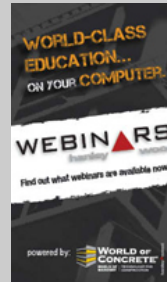

Added to the concrete at the time of batching, XYPEX eliminates the need to apply protective coatings either in the field or at the precast plant. www.xypex.com.

Kryton develops, manufactures and markets a wide range of products designed to waterproof, repair and protect concrete structures. Developed in our own dedicated concrete research laboratory, and tested in the field for over 35 years, the Krystol® Concrete Waterproofing System is the world's leading integral crystalline waterproofing technology. [Click here](#) or visit us at WOC booth #S10907.

In its eighth year, [Artistry in Decorative Concrete](#) pushes the envelope of artistic expression. Watch leading artisans demonstrate the most innovative decorative concrete applications and techniques in integral color, stains, color hardeners, stamping, polishing, stenciling, overlays, sculpting, and more!
